## **Communication Resources**

### **Bulletin Announcement (Promotion)**

Join us on Sunday, March 31 as we celebrate UKirk Sunday! “Kirk” is the Scottish word for church, and so this shortened version of “University Church” has become the primary name used nationally to designate Presbyterian Church (USA) student faith communities. On this day, congregations across our presbytery will join together in lifting up these important communities in our midst. *[Optional: Add details about the particulars of your congregation’s plans.]*

### **Bulletin Announcement (Day Of)**

Today we join with other Presbytery of St. Andrew congregations in celebrating UKirk Sunday. College and young adulthood are formative and sometimes complicated times, and our presbytery’s student faith communities help make sure people don’t have to navigate those spaces alone. For more information about getting involved, contact *[ministry name]* campus minister *[campus minister’s name]* at *[contact information]*, or find Rev. Allison Wehrung (Associate Executive Presbyter for Campus Ministry) at [ukirk.olemiss@gmail.com](mailto:ukirk.olemiss@gmail.com) and (704) 996-8142. *[Optional: Add details about specific campus ministries or your congregations UKirk Sunday plans. Or direct them to a bulletin insert.]*

### **Bulletin Insert**

*See separate attachment for the insert itself, which includes contact information for each of the presbytery’s campus ministries. The PDF is designed to be printed with .5” margins.*
