PWP Treasurers Report: New Treasurer Information:

As those of you who attended the Annual Spring Gathering know, there was no election of new Coordinating Team (CT) Members. Several of the CT members needed to step down and let someone else fill the position. I have stepped up to the plate to fill the Treasurers position, so please make a note of my information and keep it handy so your checks don't go to the wrong person.

Please send all checks along with the Treasurer's form to:

Martha Knichel

3550 Plum Point Dr. E.

Olive Branch, MS 38654

H. 662-895-3297 or C. 901-652-3297

Please do not mark your envelope with the word "TREASURER" on it. That lets everyone who handles the mail know that there is a check or cash enclosed.

If I can be of any help, please let me know.

Thanks for your cooperation,

Martha Knichel

PW Cluster Leaders/Search Committee:

Alpha Region and Delta Region:

Fall Gathering:

The PW of Calvary Presbyterian Church is planning to host the Fall Gathering on August 17, 2019. You will receive more information from the church soon. Be on the lookout for your invitation and plan on bringing a car lot of ladies with you.

Pipeline Editor:

If at any time, you have something that you would like to share with the Presbyterian Women in the Presbytery, please send the information to me and I can send it out in the next Pipeline, or we can have a special edition. Our PW in the Presbytery is growing weaker by the minute. There are fewer churches with and active PW and to me that is very sad. My own church does not have an active PW. Although we still do everything that we have been doing in the past, with the exception of meeting together. Our Sunday School Class has decided to use the new Horizon's Bible Study. We started on it a couple weeks ago and everyone is enjoying it, even the men.

The plan is to publish an edition of the Pipeline each quarter, to keep you informed. When communications are good, everything works better. Please do your part in helping us meet this goal. Thank you in advance for you help.

News from the Synod of Living Waters:

The Synod Triennial Gathering was a great success. Moderator Nancy Bryson and her team did a wonderful job of putting the Triennial Gathering together. Nancy has finished her term and passed the gravel on to the New Moderator Jan Albert. Thank you to the ladies of First Presbyterian Church in Tupelo for doing a fabulous job of hosting the Gathering, You made the PW of the Presbytery of St. Andrew look very good. There were 27 who attended the Gathering

from our Presbytery in addition to all the ladies from Tupelo who served as hostess. The Special Guest appearance of "Elvis" was a delight.

Other news from the Synod of Living Waters, Rev. Dr. Greg Goodwiller is the new Executive of the Synod. The Synod and our Presbytery are entering into new territory with Greg working part time for both the Presbytery and the Synod. Please keep Greg in your prayers as he begins this new venture.
